

My lawyer, whose name and telephone number are on the back of this card, has instructed me not to talk to anyone or to answer questions about my pending case or about any other criminal matter. On advice of counsel and under the Fifth and Sixth Amendments, I have decided not to talk to anyone about any criminal matter without my attorney present. I do not want to waive the right to have my lawyer present and request that no one ask me to do so without a lawyer here to advise me. I shall not give any consents, submit to any tests, or make any waivers of my legal rights without my lawyer. Please call my lawyer immediately.
